**AT BENTON SANDS, CALLALA BEACH**

**26 DEC 2016 TO 8 JAN 2017**

On behalf of the owners and residents of Benton Sands in Callala Beach, we are delighted to announce an exhibition of works by local Hela Donela, a resident of Benton Sands.

Titled "CALLALA 16" the exhibition will show a number of Hela's recent works and will be on show at the Benton Sands Committee room on Oakwood Copse (off Griffin Street), Callala Beach.

Hela Donela is an emerging Australian artist born in Finland and living on Callala Beach. Her works have been exhibited in Sydney and overseas; and are a reflection of her exquisite awareness of the natural world and coastal surroundings where she lives.

Hela's paintings are an invitation to visual meditation and provide moments of peace in the middle of our busy lives. Many of her works incorporate unique use of metal wire and staples.
